

## *What if you could no longer use cash?*

- Would you want a life that is completely dependent on technology?
- If you were forced to use Central Bank Digital Currencies (CBDC's) would you be protected from cyber security crimes, government interference, power outages, surveillance, etc.

---

### **Support Bill C-400 & Keep Cash Alive**

**MP Ted Falk** has tabled Bill C-400 that will provide for the development and implementation of a framework to ensure that cash continues to be available throughout Canada.

- Ask your MP to support Bill C-400** - contact your MP by phone - by email - by letter or meet in person
- Educate Others** - Inform family, friends, co-workers, media, government and the general public.
